Leave & Attendance Policy — Comprehensive Guide

Policy No: HR-POL-003 | Owner: Chief People Officer | Review Date: Jan 2026

PURPOSE

This policy establishes a consistent, fair, and legally compliant framework for employee leave and attendance at NexaCore Technologies. All employees, contractors, and temporary staff are subject to this policy.

TYPES OF LEAVE — DETAILED BREAKDOWN

Annual / Vacation Leave

- Accrual begins on Day 1 of employment at a rate of 1.25 days per month (Year 0-1).
- Leave must be taken in minimum half-day increments.
- Blackout periods may apply during quarter-end (last 2 weeks of March, June, September, December) for Finance and Sales teams. Requests during blackout require VP approval.
- Unused leave above rollover limit is not carried forward and has no cash value upon forfeiture.
- Employees may borrow up to 5 days of future accruals with manager and HR approval. Borrowed days are deducted from final paycheck if employee leaves before accruing them.

Sick Leave

- Sick leave is for personal illness, medical appointments, or caring for an immediate family member who is ill.
- Notify your manager and HR before 9:00 AM on the day of absence via email and Workday.
- For absences of 4+ consecutive days, a doctor's certificate must be provided on return.
- Sick leave cannot be used as vacation. Pattern abuse (e.g., frequent Monday/Friday absences) may trigger a formal review.
- Sick leave does not roll over or pay out on termination.

Parental Leave

- Birth Parent (Maternity): 16 weeks at full pay, followed by up to 8 additional weeks at 60% pay. FMLA-protected.
- Non-Birth Parent (Paternity/Partner): 4 weeks at full pay, to be taken within 6 months of birth/adoption.
- Adoption: 12 weeks at full pay for primary caregiver; 3 weeks for secondary caregiver.
- Surrogacy: Same as Birth Parent policy for the legal parent.
- Employees must notify HR at least 30 days before planned leave start date. For unplanned leave (premature birth), notify HR within 5 days.

- Benefits (health, 401k matching) continue uninterrupted during paid parental leave.

Medical / FMLA Leave

- Employees with 12+ months tenure and 1,250+ hours worked are eligible for up to 12 weeks of unpaid, job-protected FMLA leave per year.
- FMLA may be taken continuously, intermittently, or as reduced schedule.
- Employee must provide 30 days' notice for foreseeable leave, or as soon as practicable for unexpected situations.
- Medical certification from a healthcare provider is required within 15 calendar days.
- Health benefits continue during FMLA. Employee pays their normal share of premiums.
- Employee returns to the same or equivalent position with equivalent pay, benefits, and terms.

Personal / Discretionary Days

- 3 discretionary personal days per calendar year for all full-time employees.
- Cannot be carried over or paid out.
- Requires 24-hour advance notice to manager except in emergencies.
- May not be taken consecutively with each other or adjacent to public holidays without manager approval.

Public Holidays

- NexaCore observes 11 federal holidays plus 2 floating holidays.
- Floating holidays may be used for religious observances, cultural events, or any personal occasion. Must be scheduled at least 5 days in advance.
- Employees required to work on a public holiday receive 1.5x pay AND a substitute day off to be taken within 90 days.

Compassionate / Bereavement Leave

- Immediate family (spouse/partner, child, parent, sibling): 5 paid days.
- Extended family (grandparent, grandchild, parent-in-law, sibling-in-law): 3 paid days.
- Friends or distant relatives: 1 paid day.
- Additional unpaid leave may be granted at manager and HR discretion.
- Documentation (obituary, funeral program, or death certificate) may be requested.

ATTENDANCE EXPECTATIONS

Punctuality is a professional expectation. Repeated tardiness (arriving more than 15 minutes late more than 3 times per month) will result in a formal counseling session. Four or more unexcused absences per quarter may

result in disciplinary action up to and including termination.

LEAVE REQUEST PROCESS

1. Submit request in Workday at least 5 business days before leave (or as soon as known for emergency leave).
2. Manager reviews and approves/declines within 3 business days.
3. For leave exceeding 5 days, HR Business Partner co-approves.
4. For FMLA or medical leave, submit medical certification to HR directly (confidential).
5. Confirmation email is sent to employee and manager. Calendar is updated automatically.
6. On return from leave exceeding 5 days, complete Return-to-Work form in Workday.
